

Role: Marketing & Communications Internship

Timing: 32-40 hours per week

Location: Aalsmeer, the Netherlands

Our vision at Treemore is a sustainable world where people live in harmony with nature and with each other. In this world, people understand and respect the earth's ecosystems dynamics and use its power to preserve and enhance diversity.

Trees are vital to complex life, symbols of strength and an endless source of inspiration. On our mission to reverse the deforestation trend, we found one product and approach that can make a big impact: high-quality tree-gifts combined with storytelling. By offering small specimen of nature's most striking trees and help people nurture them, we aim to make everyone fall in love with trees and become stewards of spaceship earth. Our small but very motivated team consists of passionate professionals that are looking for an intern to help with our (online) communications.

Responsibilities:

- Create content for our website (visuals, blogs, videos, interviews, stories)
- Assist with managing our social media platforms (content creation, planning, analysis)
- Assist in Community Management
- Support the Marketing & Communications Manager with day-to-day tasks
- Conduct market research

Who are we looking for?

- Enthusiastic, creative, and social media savvy with a study background in communications, journalism, marketing, or equivalent
- A passion for sustainability, trees, and nature
- Preferably, some experience with managing social media platforms
- Proactive and able to work independently with a hands-on attitude
- Excellent writing and communication skills in English
- Available for at least 4 months, preferably longer

Important: This internship is only open to students.

What we offer:

- A supportive and inspiring working environment in Aalsmeer, near the 'Amsterdamse Bos'

- The opportunity to take initiative and learn from industry experts
- A monthly allowance of EUR 300 (students only)
- Travel cost compensation (€0.23/km)
